

## Welder POSITION

### **Weld Position:**

- Needs to be able to lift 50 pounds repetitively
- Fork truck experience is a plus
- MIG welding experience or certificate through a reputable welding school
- TIG welding, layout and setup experience is preferred but not necessary
- Experience with robotic welders is also not necessary but a big plus
- Several years experience in the manufacturing environment
- Able to read tape measure, calipers, welding gauges
- Able to read manufacturing blue prints and drawings, especially weld symbols

But more than any of the above we are looking for a long-term candidate who are self-motivated, energetic, trainable and eager to learn who are able to stay on task with minimal supervision.

**The ideal candidate would meet the criteria below:**

### **Welder:**

- Welding experience in a production, manufacturing environment or a weld certificate from a reputable welding school
- Possess knowledge of welding principles and techniques
- Experienced in MIG and TIG welding of various steel grades
- Experience with stainless steel, aluminum, and other metals a plus.
- Must be able to read and interpret blue prints, able to follow written and oral instructions, and work in a team environment
- Perform setup and all position welding on a diversified line of standard weldments and structures in accordance with AWS or other welding requirements and procedures
- Fit and position weldments having a number of parts, using weld fixtures and jigs where applicable, scribe, locate, and position parts where fixtures and jigs are not available.
- Work from blue prints, drawings, process instructions, and job layouts.
- Layout and inspect parts using varying inspection equipment and techniques including, but not limited to, tape measure, scale, calipers, height gauges, templates, squares, angle finders protractors, and weld gauges
- Must have the tools to do the job, including autodarkening weld hood, measurement tools, and standard welding tools.
- Be able to lift 50 pounds repetitively, pass drug and background check and have good attendance, good work ethic, and trainability.
